

Growth Impact Fund

Delivered by

Breaking Down Barriers

UnLtd's 2025 ambition
for social entrepreneurs

Delivered by

Growth Impact Fund

Providing social investment for early stage, growing social businesses.

Our investment is made for organisations that are:

- Led by diverse leaders and teams
- Looking to grow their trading income
- Looking to help tackle inequality

Who is this for?

We support organisations that address inequality in the UK and that have with diverse representation at board and leadership level.
