Challenge

Mansfield CVS are an infrastructure organisation who support community and voluntary groups to get started, grow and provide information, advice and guidance. They invest their support into the community they are based within.

Revenue model

MCVS generates income by:

- Selling goods to public sector bodies
- Renting commercial space to for-profit businesses
- Renting commercial space to not-for-profit businesses

Impact

Social investment, in the short term, enabled MCVS to not only survive but also underpin its ability to reset, thrive and establish a financially sound business model
